**UNION COUNTY PUBLIC SCHOOLS TAX FORM INSTRUCTIONS**

***To the tax statement preparer for pay applications for Union County Public Schools:***

Please find the attached form for providing sales taxes paid on materials for Union County Public Schools. It is important that you note the following:

**Tax paid by contractors on rental equipment, tools or supplies that they use in the process of completing their contract is not refundable.** Tax statements from contractors should indicate the **amount of tax paid on materials that become part of the structure only.** Statements should indicate the **vendor's name, date of invoice, invoice number, taxable amount, and sales tax amount.** The statement must be "certified" by the contractor. Additionally, be sure the county tax is allocated to the **correct county.** As of January 1, 2002, the county is determined by the "ship to" address; therefore, if the material was shipped to your place of business instead of the job site the county name would reflect the county where your business is located. All counties combined sales & use tax rate is 7.75% with the exception of Alexander, Catawba, Cumberland, Haywood, Hertford, Lee, Martin, New Hanover, Onslow, Pitt, Randolph, Sampson, Surry & Wilkes counties that have a tax rate of 8% with the additional ¼% being county tax. Mecklenburg County has an additional ½% local sales tax. They are the only county with 8 ¼% rate of tax. Subcontractors performing work should also provide sales tax statements to the general contractor. **It is the general contractor's responsibility to secure from the subcontractor the tax statement.** (Reference Sales and Use Tax Bulletin Section 31)

If you submit a pay application upon which no sales tax was paid, **please send a blank form indicating "none this period".** ***Payment may be delayed if proper sales tax accounting is not attached.***

If you have any questions regarding the attached form please contact Anna Austin w/UCPS at 704-290-1541 or Shanna McLamb at 704-290-1562.

**AS OF OCTOBER 1, 2009, THE SALES TAX DISTRIBUTION IS 5.75% STATE AND 2.00% COUNTY.**

**PLEASE USE THE CORRECT DISTRIBUTION (NOTED ABOVE) ON ALL CONTRACTOR STATEMENTS.**

Union County Public Schools/Union County Agency Lease Agreement for  
Sales Tax Reimbursement

“Pursuant to North Carolina General Statutes, Section 105-164.14, the Owner is eligible for sales and use tax refunds on all materials which become a permanent part of the construction. The Contractor agrees to provide the Owner documentation which meets the requirements of Sales and Use Tax Regulation 42 regarding requests for refund of sales and use taxes. Those requirements are outlined below:

“(g) All refund claims must be substantiated by proper documentary proof and only those taxes actually paid by the claimant during the fiscal year covered by the refund claim may be included in the claim.

Any local sales or use taxes included in the claim must be separately stated in the claim for refund. In cases where more than one county’s sales and use tax has been paid, a breakdown must be attached to the claim for refund showing the amount of each county’s local tax separately.

To substantiate a refund claim for sales and use taxes paid on purchases of building materials, supplies, fixtures, and equipment by its contractor, the claimant must secure from such contractor certified statements setting forth the cost of the property purchased from each vendor and the amount of state and local sales and/or use taxes paid thereon. Such statement must also include the cost of any tangible personal property withdrawn from the contractor’s warehouse stock and the amount of state and local sales or use tax paid thereon by the contractor. Similar certified statements by his subcontractors must be obtained by the general contractor and furnished to the claimant (Owner). Any local sales or use taxes included in the contractor’s statements must be shown separately from the State sales or use taxes. The contractor’s statements must not contain sales or use taxes paid on purchases of tangible personal property purchased by such contractors for use in performing the contract which does not annex, affix to or in some manner become a part of the building or structure being erected, altered or repaired for the governmental entities as defined by G.S. 105-164.14(c). Examples of property on which sales and use tax has been paid by the contractor and which should not be included in the contractor’s statement are scaffolding, forms for concrete, fuel for the operation of machinery and equipment, tools, equipment repair parts and equipment rentals, blueprints, etc.”

The Contractor shall submit notarized sales tax certificates which meet the requirements detailed above with each request for payment. Payment will not be made until the sales tax certificate(s) have been submitted to the Owner. Owner is the recipient of sales tax refunds and no such funds shall be provided to Contractor, or claim made by Contractor therefore.”
