

**LAW ENFORCEMENT INVOLVEMENT ON CAMPUS  
ADMINISTRATIVE GUIDELINES**

**4-10**

**In order to preserve instructional time, except as provided below, students will not meet with a probation officer during school hours. This does not preclude a probation officer from working with the school administration and student's parent/ guardian to schedule a meeting before or after school hours to be held at the school.**

- 1. Probation officers may seek prior approval from the principal or designee to meet with a student during school hours. Any such request must be made 48 hours on advance.**
  
- 2. Probation officers may meet with students during school hours if the principal or designee or the school counselor request that the probation officer come to meet with the student.**
  
- 3. Any meeting between a probation officer and a student shall be conducted in a private location and the student will be brought to the location by a member of the school staff.**
